

MAISON A.GOICHOT

## PULIGNY MONTRACHET 1ER

CRU

*Les Folatières*

**Grape variety:** 100% Chardonnay

**Climat:** Les Folatières

**Servicing temperature:** 10-12°

**Ageing:** 12-15 ans

### *Plot*

Puligny-Montrachet shares with Chassagne the most perfect expression of Chardonnay. Just a few meters from the Grands Crus, the Controlled Designation of Origin established in 1937 offers a white wine with a strong personality and a high reputation.

### *Vinification / Aging*

The grapes are pressed directly after harvest, then alcoholic and malolactic fermentations take place in oak barrels. Aging lasts around 12 months before preparation for bottling.

### *Tasting*

The white wines of Puligny offer a set of aromas combining white flowers, honey with a mineral structure. In the mouth, it is charming in its beginnings, the liveliness gives way to elegance.

### *Food and wine pairing*

The Puligny Montrachet is intended to honor haute cuisine: great crustaceans, foie gras, without forgetting its service on fish such as sole meunière, salmon. Epicureans will know how to combine them with the flavors of ripe, very fragrant cheeses: Époisse, Bleus and Comté Vieux.
